(1) That Madras and Southern Mahratta Railway should be asked not to construct any quarters for Police in Mysore and Arsikere junction stations as there is no work for our Railway Police at the two junction stations which are worked by the M. & S.M.Railway.

(2) That for the use of travelling constables, 2 units of quarters may be built later on, if required, in Mysore State Railway land both at Mysore and Arsikere.

(3) That quarters for a Sergeant is not necessary at Hole-Narsipur and that Sub Inspector's quarters should be provided for at Holenarsipur instead of at Hassan where it is not necessary.

x x x

(5) That as the requirements of Police staff cannot be finally decided for some time no more quarters need be built for them. The quarters already constructed at some stations should be used by them and at remaining -- stations house rents may be paid according to rules governing other railway servants.

(6) That the strength of Police staff proposed by the Inspector-General of Police x x may be approved with the above modifications and that Inspector-General of Police be requested to address M. & S. M. Railway for additional Police staff required for working junction stations.

Spec. 71/15)

The proposal contained in my letter dated 21st/23rd June 1917, was drawn up in consultation with, and with the approval of the Acting Agent (Vide copy of his letter dated 15th June 1917 which is on the file). The staff asked for therein is the minimum that is necessary, consistent with efficiency. The only reduction that is possible, if at all, is that the Sergeant provided for Mysore Station may be dispensed with for the present. Any further reduction in the proposed staff will be at the expense of efficiency.

16) We have no jurisdiction over Arsikere Station; and the staff shown against this Station is required not for the junction at this place but for attending to train beats, receipt and despatch of prisoners, surveillance of suspects and foreigners and exchange of criminal intelligence.

17) Out of the establishment of 1 Sub Inspector, 1 Sergeant and 8 constables provided for the Mysore Station, 1 Sub Inspector and 2 constables may be treated as the portion required for the extra duties devolving on the Police within the limits of the Junction, and the Agent and Railway Secretary

NOTE—Contn. sheet.

may be asked to write to the M & S. M. Railway Company about the proportionate share of the cost of this staff to be paid by them. The rest of the staff proposed is needed for train beats etc for the Mysore - Arsikere line, as also to serve as a reserve for affording relief to men in the other stations in cases of casualties..

18) Deducting the provision of the Sergeant proposed to be dispensed with, as well as the staff required for the Junction, the cost of which will have to be debited to the M & S. M. Railway Company, the establishment required for the Mysore - Arsikere line - a distance of about 100 miles - will consist of 1 Inspector, 1 Sub Inspector, 3 Sergeants and 28 constables. If we compare this with the allocation sanctioned for the Birur - Shimoga line which consists of 1 Head Constable, 2 Sergeants and 20 men for a distance of 38 miles, it will be found that the staff now asked for is very modest.

19) The Railway Secretary suggests that house rent need not be paid to men drawing less than 15 Rs. This will not be in harmony with Para 541 of the Open Line Code which lays down that Railway Police officers are entitled to free quarters. It is hardly necessary to point out how important it is that constables on duty at a station should live within the station limits. I think that quarters must be built as early as possible, and that until they are ready, house rent should be given to the men.

20) I request that, as the line has been already opened for goods traffic and the entertainment of the staff should not be delayed in public interests, Government may be pleased to accord early sanction to the proposal.

(5) With reference to para 93 supra it is noted that before sanctioning the extra staff of 1 Sub Inspector & 2 constables it seems necessary to properly apportion the cost of the Ry. police stations at Imphal. There are three sets of police staff to be considered:-

(1) That originally sanctioned for the purposes of the M & S.M. Ry.

(2) The force of 1 sergeant & 6 constables sanctioned for the Imphal Station in G.O. No. J2290-92-Police 205-16-4 d/27.12.17.

(3) The force of 1 Sub Inspector & 2 constables proposed to be now sanctioned for the purposes of the joint station.

(6) According to letter no. 1665-B.E dated the 27/30th April 1918 from the Agent, M & S.M. Ry. to the A.A. Resident it seems that the cost of the 1st & the 3rd items should be apportioned as follows:-

Imphal Police Dept 3/10 ths

M & S.M. Ry Co. 1/5 & 7/10 ths

Imphal Ry. Dept. & the M. & S.M. Ry. Co in proportion to the traffic in their charge 4/5 & 7/10 ths.

97) The Mysore Ry. Dept. agree with the Agent, M & S.M. Ry. Co., regarding the apportionment of the cost of the 1st & 3rd items. If item no. 1 is to be considered as staff of the joint station and the Mysore Railway Dept. bursaries with a portion of the cost thereof under the agreement referred to by the Agent there seems to be no reason why item no. 2 should not be treated likewise and the M & S.M. (1) The point for order in this case at this stage is whether sanction to the entertainment of a Sub Inspector and 2 Constables - the addl staff asked for for the Mysore Station.

(2) This question was reserved for consideration in the Govt. Order of 29-12-1917 - Flag V. pending receipt of the acceptance of the proposal debit by the agent M & S. M. R -

(3) That has now been received and the Mysore Ry agent also agrees to 7/10 of the cost of the staff being debited to the M&SMR and the Mysore Railways as per joint station agreement -

(4) Sanction may now be accorded to the entertainment of this staff -

(5) As regards the pay of the Sub Inspector and Constables, the pay fixed in the order of 29-12-1917 was Rs 30 for the former & and 9+10 for the latter - To the Sub Inspector a house rent allowance of Rs 10 was also given -

(6) In his last unofficial note of 30-9-18 the present D.S.P observes that the pay of the Sub Inspector should be Rs 40+20, and that of the Constables Rs 10 -

(7) To be in keeping with the previous scales of the M. A. Ry establishment, of which this

forms part. It is desirable that for the present the addl staff should have the pay as already fixed in the G.O of 27-12-1917.

(11) The Subdivisional may get Rs 30 + 10 House Rent allowance, but there is no objection to have better the Constable on Rs 10 - at the higher rate of pay only.

(12A) The duties only involved shd be omitted of the lump sum provision for menial establishment.

(12) There are one or two other matters outstanding in this file and awaiting orders -

(a) Grant of a charge allowance to the Subdivisional on the Mc. A Ry - Vide Serial No. 8 - Dft Letter of 19-3-18. The Ry Dept has not been consulted on this point and financial opinion is apparently not required on this point at present. It may however be pointed out that the Subdivisional Police Officer Nanjangud, Mysore, Srirangapatna who are in receipt of a charge allowance do not get any house rent allowance in addition.

(b). Financial opinion is not also required on the point raised by the Ry Dept against the grant of any additional house rent allowances to the Mc. A Ry Police Staff - This point was considered by Govt. and finally decided as in the G.O. of 27-12-1917 - Consideration of the further report

Sir,

With reference to your letter No. J.2941/Police 205-16-5 dated the Ist instant, asking for information re staff of one Sub Inspector and 2 constables for Mysore Station, I have the honor to state as follows:-

2. After the opening of the Mysore-Arsikere Railway, Mysore has become a very important junction station. There is a greater number of trains now than before and the traffic, both passenger and goods, is very heavy. All this involves more work to the Police establishment at present allocated to this Station. It is to cope with this additional work that an increase of one Sub Inspector and 2 constables to the staff is asked for. The number of constables working at Mysore junction is 24; and in order that the various duties arising there may be properly distributed among the men and that their discharge of those duties may be properly supervised, it is very necessary to have a superior officer of the rank of a Sub Inspector exclusively for the Station. This additional staff will form part of the Bangalore-Nanjangud Section Railway Police. The existing officers are unable to cope with the

increase in work.

3. As the work on which the additional staff will be employed relates to the Mysore Station, which is worked by the Madras and Southern Mahratta Railway Company, their salaries were proposed to be debited to them.

I have the honor to be,

Sir,

Sir,

Adverting to G.O. No.J.2290-92/Pol.205-16-4 dated 27th December 1917 sanctioning the scale of Police establishment required for the Mysore-Arsikere Railway, I have the honour to inform you that I observe from the above order that sanction has been accorded to the payment of house rent allowance to the staff in accordance with the recommendation made by the Inspector-General of Police although, in para 2 of this office unofficial No.171 dated 24th September 1917, it was stated that the rule adopted in the case of other employes of this Department drawing Rs.15 and above is to give only actual rents paid by them not exceeding 10 per cent of their salaries and that no allowances are paid to men drawing less than Rs.15. Since the grant of enhanced allowances to men of one Department will lead to similar claims from men of other Departments and as the working expenses will consequently increase, I request you will be so good as to let me know whether there is any objection to the rates of rents being modified with those obtaining in this Department.
